STUDIO TOUR: FACE STOCKHOLM®

for Gun and Martina, the charming mother-daughter duo behind the beauty line FACE Stockholm, the business of mixing color is a nonstop, keeling-over-with-laughter family affair. we spent the day in upstate New York, where the pair gave us a sneak peek of their creative space—a recently converted “brand barn” located on Gun’s property—and invited us to try on all the lipstick colors our hearts desired...

Match Point: FACE Stockholm's New Special-Edition Bicycle and Nail Color Collaboration

NOVEMBER 12, 2013 9:30 AM
by JANE HERMAN

bought you'd run out of ways to reimagine your manicure, FACE the century-old Swedish bike company Skeppshult have a collection of six cruisers—each painted in a color coordinating with the brand's best-selling nail polishes.

part of life in Sweden," says **Martina Arfwidson**, who now co-runs the business from picturesque Hudson, New York (her mother, Gun runs operations in Stockholm). There, she can be spotted pedaling her own mahogany-colored ride.
